

Women in Engineering Day at Carnival UK

When: Saturday 23rd June 2018 – 10.00 am until 12:30pm

Where: Azura (terminal to be confirmed)

In support of 'International Women in Engineering Day' we are proud to be offering a guided tour on board P&O Cruises Azura.

The tour is aimed at young women between 12-18 years old who are interested in Science, Technology, Engineering and Mathematics.

As well as a tour of the ship there will be a question and answer session where you will be able to learn about the careers available at sea and the lifelong career prospects offered by the maritime industry. There will be a particular focus on our Cadet schemes.

Please note: All under 18s must be accompanied by an adult, photographic ID will be required and tours are subject to operational restrictions on the day.

Places are limited so please register your interest as soon as possible by emailing;
educationprogrammes@carnivalukgroup.com
